New! Nitro Brew Coffee Systems

We can offer a variety of solutions to service this emerging and fast-growing sector of the High Street Coffee Shop sector that is already widely established in the USA.

Equipment can be used to create an innovative list of Nitro Brew “**Cofftails**” which mix Nitro Brew coffee with a variety of flavourings and syrups to create a mouth-watering variety of Cold Coffee “**Cofftails**”.

Benefits

- ☆ Additional source of **high margin revenue** for Leisure and Education venues.
- ☆ Additional Healthy product offering with zero levels of fat, sugar and salt.
- ☆ Break-even threshold < 2 unit/day for leased equipment (when used to dispense cocktails).
- ☆ Nitro Infused Coffee, “**Cofftails**” and Coffee based cocktails dispensed from a single machine.

Snack & Cold Drink Vending

Our range of snack and cold drink vendors are designed to complement our Hot Coffee Solutions and we can supply integrated App based cashless solutions that will fit on all machines giving DIY Leisure and Education sites a completely cash free solution to their customer and staff vending services.

Benefits

- ☆ **Removal of Cash handling** completely from the vending service.
- ☆ Allows sites to interact directly with staff and/or customers.

Glass Fronted Drinks Vendor

Snack/Combi Vendor

Can/Bottle Vendor

Operated Vending Service

All of the enclosed solutions can be offered by us on a contracted Fully Operated basis, if required, where the DIY solution is either not desirable or practical.

We have successfully tendered for and are part of the Scotland Excel Framework agreement for the supply of equipment and Operated solutions.

Benefits

- ☆ Removes the responsibility of **stock control** etc from the business.
- ☆ Removes the responsibility of **equipment maintenance** from the business.
- ☆ Removes the responsibility of **managing the service** from the business.
- ☆ A **zero-cost option** to offer a vending service to staff.
