Branded Coffee Pod

Free Standing Coffee Machine

# Snack & Cold Drink Vending

Our range of snack and cold drink vendors are designed to complement our Hot Coffee Solutions and the Button Barista App can be used on all of the equipment giving every office or workplace site an integrated cashless solution to their staff vending solution.

## Benefits

- ☆ **Removal of Cash handling** completely from the vending service.
- ☆ Allows sites to interact directly with staff and/or customers.

Glass Fronted Drinks Vendor

Snack/Combi Vendor

Can/Bottle Vendor

# Button Barista App

We can offer a bespoke cashless solution for office and workplace locations which allow staff/ customers to access all equipment using the Button Barista Payment App which as well as facilitating cashless payments enables customers to design their own bespoke hot drink and save it within the App to repeat whenever required. The App also allows the business to interact directly with staff to offer tailored deals e.g. complimentary drinks on and employee's birthday etc.

## Benefits

- ☆ **Removal of Cash** from the vending service.
- ☆ Allows staff to **individualise** hot drink menus.
- ☆ Allows Businesses to interact directly with staff.
- ☆ Can facilitate the offering of tailored deals to staff to incentivise and/or reward performance.

# Operated Vending Service

All of the enclosed solutions can be offered by us on a contracted Fully Operated basis, if required, where the DIY solution is either not desirable or practical.

We have successfully tendered for and are part of the Scotland Excel Framework agreement for the supply of equipment and Operated solutions.

## Benefits

- ☆ Removes the responsibility of **stock control** etc from the business.
- ☆ Removes the responsibility of **equipment maintenance** from the business.
- ☆ Removes the responsibility of **managing the service** from the business.
- ☆ A **zero-cost option** to offer a vending service to staff.
